MULTIPLE ELECTRONIC DEVICES

PRELIMINARY AMENDMENT

Hon. Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In the US national phase application of  
PCT/US97/01685 filed herewith, please enter the following  
amendments.

In the Claims:

✓ Cancel originally filed Claims 1 through 4. Add Claims 5 - 19  
as identified below.

21  
Add B 17 5. (Newly added) A method for scheduling events between  
first and second video processing devices coupled together, each  
device having at least one event timer for storing a scheduled  
event, said method comprising:

- a. programming information pertaining to a first event  
into an available event timer of said first device;
- b. comparing said first event information to information  
pertaining to each event previously scheduled in said first device  
for determining conflicts therebetween;
